SOCIÉTÉ SUISSE DE MÉDECINE INTENSIVE
SOCIETÀ SVIZZERA DI MEDICINA INTENSIVA
SG-SSMI-SSIM

Österreichische Gesellschaft
für Intensivmedizinische und Allgemeine
Innenmedizin & Notfallmedizin

Objective of the symposium

The aim of the symposium is to review recent advances in intensive care and emergency medicine in a comprehensive manner for intensive care medicine physicians. It is an excellent time to review its impact on our specialty, the way we treat our patients and communicate worldwide. At the end of the symposium participants will be able to integrate the acquired new information into their knowledge for patients care at the bedside.
